 RAISED FOR
 SUBLETTE COUNTY
 NONPROFITS!

Breaking Records

36 nonprofit organizations from across Sublette County participated in the 2024 Race To Raise. Thanks to our generous match pool donors, we were able to match 86% of donations to each participating nonprofit on their first \$5,000 raised. Compared to 2023, overall fundraising saw an increase of more than \$38,000 in 2024!

It starts with you!

Imagine a single gift to our community that multiplies, helping local nonprofits serve even more people and meet critical needs. Pledges to the 2025 matching funds pool are now being accepted. By joining the matching funds pool, you can inspire new donors and amplify every contribution to strengthen our community's health, education, arts, and more. Together, we can ensure that no gift is too small and every dollar counts. Please consider a donation to the matching pool to help make this possible.
